

Looking for a meaningful gift for ANY season?
 "Plant" the Gift that Keeps on Growing...the Growing Project
 Give a seed, sprout, blossom, row, garden, or field

In addition to *your* donation to Food Works, **give the gift** of membership with a seed, sprout, blossom, row, garden, or field. For every gift you give to your friends or loved ones, Food Works will send the corresponding card beautifully created by local artist Janet MacLeod (see artwork above).

Planting the seeds of food and education for ALL of our neighbors

Field: \$1,000 = provides a full field of fresh, organic vegetables for our underserved neighbors across Vermont.

Garden: \$500 = enables us to build raised-bed community gardens with low-income families at housing developments in Central Vermont and offer hands-on nutrition education classes.

Row: \$250 = offers seasonal gardening, healthy cooking, and food preservation courses for senior meal sites and local schools.

Blossom: \$100 = gives learning opportunities to at-risk children at summer camps in gardening and herbal studies at the Two Rivers Center.

Sprout: \$50 = makes available a bushel basket of locally grown produce to prepare healthy meals for seniors and children.

Seed: \$25 and under = provides a gardener's starter kit of seeds and tools for early childhood education centers.
